

Agnes Kalanihookaha Cope Learning Center

This multi-service facility, designed by Pacific Atelier International, combines traditional Hawaiian architecture styles and modern concepts. The 47,000 square foot, two-story building will consist of a large assembly hall, a certified kitchen, several office spaces, and classrooms for educational and vocational training programs. Learning institutions will include Kamehameha Schools, Waianae Coast Comprehensive Learning Center, Ho'okulaiwi Teachers Academy, and Waianae Coast Culture and Arts Society.

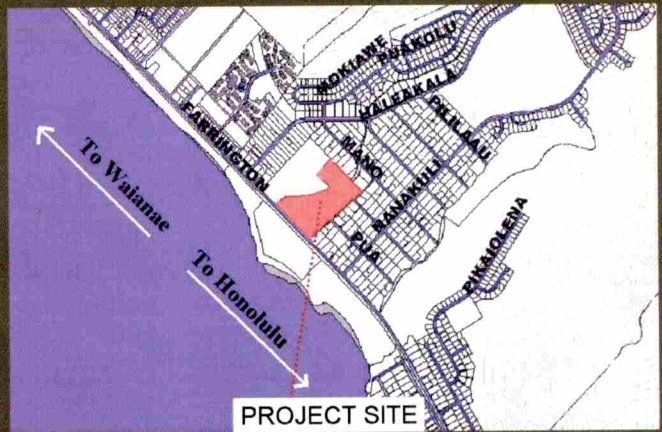

Nanakuli Community Health Center

Waianae Coast Comprehensive Health Center has agreed to construct a pediatric dental clinic, adult medical clinic and pharmacy to better address the medical challenges facing the community. The stand alone facility will provide readily accessible counseling, treatment and affordable medicine.
